

Harrison, O. J., Corps, E. M. and Kilshaw, P. J. (2005). Cadherin adhesion depends on a salt bridge at the N-terminus. *J. Cell Sci.* **118**, 4123-4130.

The e-press version of this article that was published on 23rd August 2005 contains two errors on p. 4128.

In the legend to Fig. 6, the penultimate sentence should read: Aggregation was assessed by microscopy.

In the right-hand column, paragraph 2, the last sentence should read: It is not known whether similar changes to the β A strand in cadherins would modulate intramolecular docking of Trp2 and alter the free energy balance in favour of strand exchange.

Both the published print and online versions of this article are correct.

We apologise to the authors and readers for these mistakes.

Petkovic, M., Dietschy, T., Freire, R., Jiao, R. and Stagljar, I. (2005). The human Rothmund-Thomson syndrome gene product, RECQL4, localizes to distinct nuclear foci that coincide with proteins involved in the maintenance of genome stability. *J. Cell Sci.* **118**, 4261-4269.

In both the print and online versions of this paper, the corresponding author's e-mail address was incorrect. The correct address is: igor.stagljar@utoronto.ca

We apologize to the authors and readers for this error.

Tsacoumangos, A., Kil, S. J., Ma, L., Sönnichsen, F. D. and Carlin, C. (2005). A novel dileucine lysosomal-sorting-signal mediates intracellular EGF-receptor retention independently of protein ubiquitylation. *J. Cell Sci.* **118**, 3959-3971.

In both the print and online versions of this paper, the first author's name was spelled incorrectly.

The correct name is: Amy Tsacoumangos.

We apologize to the authors and readers for this error.
