

CORRECTION

Correction: New approaches for assessing squid fin motions: coupling proper orthogonal decomposition with volumetric particle tracking velocimetry (doi:10.1242/jeb.176750)

Ian K. Bartol, Paul S. Krueger, Carly A. York and Joseph T. Thompson

There was an error published in *J. Exp. Biol.* (2018) **221**, jeb176750 (doi:10.1242/jeb.176750).

In Figs 6–10, the vorticity magnitude colour bar was incorrect. The original bar (left) and corrected bar (right) appear below.

Figs 6–8 and 10

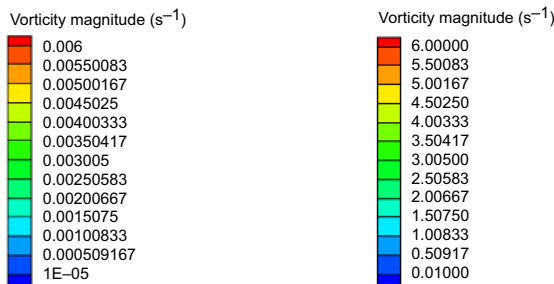

Fig. 9
